Lead Case

Jury Trial Demanded

ORDER DENYING ACCU-TIME'S MOTION TO STRIKE [Dkt. 768]

Accu-Time has asked the Court to strike Blue Spike's surreply (Dkt. 741) on the basis that it purportedly expands the complaint. *See* Dkt. 768. Reviewing the moving papers, the Court denies Accu-Time's motion.

Accu-Time did not seek leave to file its motion as required by Local Rule CV-7(f). Additionally, Accu-Time does not cite any law that supports striking Blue Spike's surreply.

THEREFORE, the Court hereby DENIES Accu-Time's motion to strike (Dkt. 768).

IT IS SO ORDERED.
